# say "oui" in tahiti

**Tahiti has to be the most romantic wedding destination to tie the knot in anywhere in the world – well that's our opinion and once you get there, we're sure you will agree!**

Your wedding photos will look like you're on a movie set, with dramatic mountain peaks as a backdrop, the bluest of blue lagoons (they almost seem like they are neon-lit from beneath)

## tahiti

The island of Tahiti is only a five hour flight from Auckland and is one of the largest and most diverse islands within the group. A natural island with magnificent mountains and imposing yet accessible

and overwater thatched villas and bungalows to complete the scene.

We are experts at arranging legal weddings and will help you navigate the legalities and ensure a smooth ride to the altar, beach or mountain (whichever you prefer).

We will make sure your special day is well taken care of.

waterfalls, parks and gardens. Some people opt to get married in Tahiti, especially if they have friends and family joining them, then honeymoon in either Moorea or Bora Bora.
